Dedication

During the years you have served as Dean of Boys and Bandmaster at Lanier, you have ever shown understanding, patience and encouragement.

We who have played in the band can never forget the cooperation, musicianship, value of hard work, and love of good music which you have so sincerely taught us.

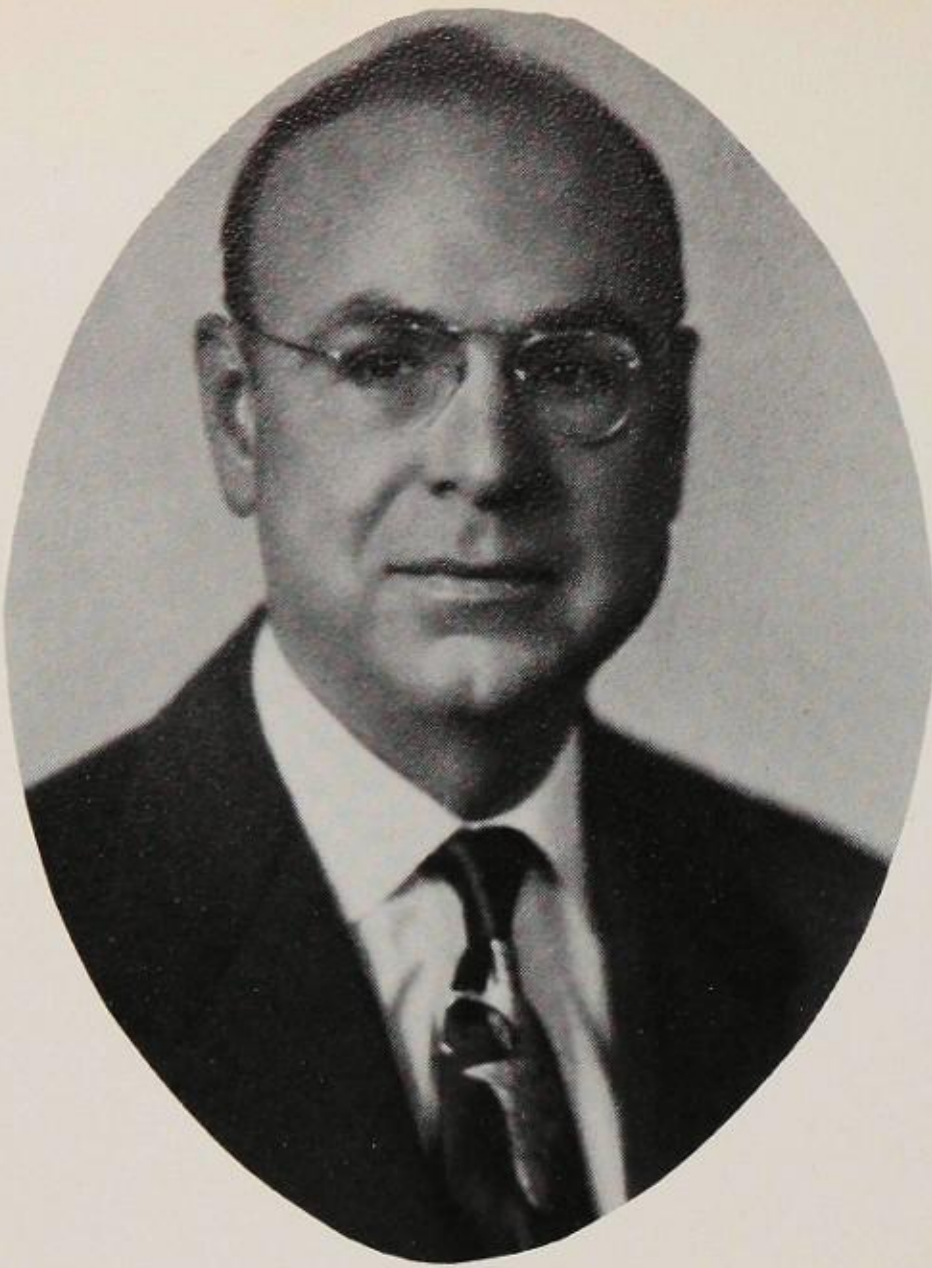

And we who have benefited by your influence in school affairs, not only in the classroom but in every phase of school life, owe you a lasting debt of gratitude.

As a token of our regard and appreciation for your devotion to Lanier, Mr. Ellis, we, the Class of '52, dedicate this Oracle to you.

Class Poem

The time has come to say goodbye,
Our three short years are through.
And now with tears and heartfelt sighs,
We bid our last adieu.

We'll travel a road as old as time,
But to us it will be new,
We go to join that long, long line
Of scholars and Poets true.

No more we'll see thy towers tall
Beyond the broad, green lawn.
Our span of learning runs its course
And now we must move on.

We've worked and played for three short years
And now our time is through.
As Seniors, we, before thy shrine
Kneel humbly here to you.

Yes, we, the Senior Class, today
Leave with hearts that yearn,
It matters not how far we stray,
To you we will return.

—WINTON McNAIR.

SENIOR CLASS HISTORY

(Ed. Note — The following is from a recent report made by Trick Dacy after studying the Class of '52)

"I began the study back in September of '49. A group of boys and girls entered Lanier High School as Sophomores. From eyewitnesses I learned that they appeared bewildered and ignorant of their surroundings. It was noticed, however, that they entered wholeheartedly into many school activities, and at the end of the first year they had gained self-confidence and had contributed much to the school.

"The next year they went under the alias of Juniors. The class was well represented on the athletic field, in the class room, and in all the extra - curricular activities. This was the year the football team was undefeated, the Band won top honors in the State Contest, the basketball team won the district championship, and the Glee Club gave some of the most entertaining concerts in its history. Near the end of the year these Juniors sponsored a Stunt Night which was well received by the student body, according to articles in the "Blue and White", the school newspaper, which is Exhibit A. The second year of my study was completed.

"Now the parts of the puzzle were beginning to fall in place. I needed but one piece to complete the picture. I was sure the final testimony could be found in what was now the Senior Class, so I continued my study. This was the most important year of the Class of '52. They were looked up to by the rest of the student body. A president of the student body and representatives were elected for the first time, marking the advancement in better Student - Faculty relations. It was evident that these Seniors knew that they were to set the examples for others, and to be the leaders. They worked hard that year, both at studies and activities, and the time passed quickly. Almost before realizing it they were to graduate. In May of '52, the picture was complete."

COMMENTS: From my observations, I conclude that this class is worthy of praise. In all that they undertook this class proved itself loyal to Lanier. I am sure as they go out into life that they will continue to up-hold ideals they learned at Lanier, and that they will never forget the happy memories of their high school days.

In Memoriam

JAMES GURR

SEPTEMBER 13, 1934 — AUGUST 4, 1951

"And hear at times a sentinel
Who moves about from place to place,
And whispers to the worlds of space,
In the deep night, that all is well.

"And all is well, tho' faith and form
Be sunder'd in the night of fear;
Well roars the storm to those that hear
A deeper voice across the storm."

—Tennyson

IDEAL SENIOR BOY

I insist that you meet
A boy with everything.
He has the looks, the wit, the style
He dresses like a king.
You wonder how he got so much
Just what he had to do?
To tell the truth, he's the ideal boy
Of the class of '52.
He got his smile from Henry Bright,
That blush from Bobby B.
He got his build from Robert Barnes,
His talent from Ed T.
He got those eyes from Jimmy L.
From Jack E. came his hair.
His laugh, just like Reuben Hyde's
Is far beyond compare.
His good looks are direct from Thad,
His spirit from Joe R.
From Pat and Bill he got his clothes,
Like Bart he's quite a star.
And last of all the things he has
That make him really swell,
Is the ability of Allen Gunn
To do his duties well.
Well, now you've met our ideal boy,
His fine points never stop.
And I know that through the years
He'll always stay on top.

AUDRA ANN OLIVER

IDEAL SENIOR GIRL

Now let's all get acquainted
With a most remarkable lass.
She, of course, is the ideal girl
Of the '52 senior class.

She has the sparkling eyes of Sandra E.
And the beautiful hair of JoAnn C.
Carol S. contributed her smooth complexion.
This girl's looks are really perfection!

To go with her looks, she has the wit of "Bit"
Which certainly is tops, you must admit.
She's as original as Ruth Mary, as sweet as Eva S.,
And with Lynn and Carole's talent, she can meet any test.

Losia Williams gave her her dancing feet.
Emily N., her personality that can't be beat.
She's as energetic and vivacious as Angie Lou.
When she's around, you can't be blue.

She has the perfect figure of Cherry M.,
'Cause she's not too fat, and she's not too slim.
Her clothes, like Kathryn Helms', are the latest style.
She's also blessed with Sylvia's smile.

And with Honey Martin's brain so keen
She's about the smartest girl you've seen.
She also has Norma Weiss's winning ways,
And Teedi Waterman's friendly "Hey".

As for capability, she was lucky to get
That of Barbara L., one of the best girls yet.
But she wouldn't be perfect if it weren't for Lanier,
So we gave her the spirit of Emily Bear.

So now, the most perfect of all girls you've met.
She has no feature that she could ever regret.
Of a girl like her, we can always be proud,
'Cause she'll stand out in any crowd.

Senior Class Prophecy

Have you ever wondered what the future holds for you and your friends? Yes, I guess you have, most everyone does. In 1952 when we were seniors in high school we often wondered what would happen to our friends after graduation. Now, many years have passed and the former poets have settled down and no longer do we wonder what the future will bring to allow us to fulfill our ambitions.

Virginia Bickerstaff now owns a very exclusive dress shop in New York. Some of her famous models are Anne Cox, Betty Cargill, Doris Guy, Rachel Reid, Ann Dawson, Lee Martin, Shirley Maxwell, and Betty Witherington.

Many of our friends have done well in the theatrical world. Norman Savage is currently starring in a Broadway production which is being produced by Terry Jones and directed by Bernard Mulligan. Tommie Hudgens, Barbara Kelly, Ed Rohmer, Harry Ohme, Jason Raines, Mary Short, and Sharon Strange are also starring in various other plays.

Bettye Sharker is the prima donna of the Ballet Russe. Others playing in the ballet are Joan Bowes, Stuart Sanders, Shirley Hall, Walter Hancock, Jimmy Warren, JoAnn Cobb, Felissa Chambers, and Sara Jo Fontaine.

Speaking of dancing, Leroy Johnson and Billy Hughes have taken over Arthur Murray's dancing studio. Some of their "daily learners" are Joe Blankenship, Eddie Reeder, Herman Gentry, Nace Capeluto, Nancy Clenny, Pat Clower, Gaynell Kyser, and Dot Ann Kindred.

Rose Markham and Franklin Mixon are the new dancing team in the movie "Showboat." Other stars seen in the picture's premiere were Annette Duncan, John Gandy, Janis Mathis, Peggy Graves, Pat Loftin, Billy Cawthorne, Jo Ann Stewart, Jo Thompson, and Kenneth Tatum.

Kate Hawkins, now happily married, lives in Korea with her husband and two sets of twin boys. Also many of our old schoolmates, Jack Armor, Billy Young, David Newman, Charles McDuffey, Tommy Milford, Bill Ramsey, and Dick Spurlin, are serving their country.

Every class turns out a number of school teachers, and so did ours. Johnny Bailey is head of the History Department at Lanier. Also at Lanier are Joe Bailey and Clarence Small, who are teaching algebra, and Katherine Leak who is teaching shorthand. Dean and Jean Morgan have opened up a day nursery for the children of working mothers. Sara Van Woolfolk, Emmie Taber, Morris Avzaradel, Dick Eatman, Betty Morgan, and Leah Thompson are just a few who have gone into the teaching profession.

Bill Bowman is a world-famous brain surgeon. John Cobb, R. C. Kyser, Ronnie Welch, and Haywood Graydon are also doing well in the medical world.

Harriet Starke has excelled in her desire to be a child psychiatrist. As a pastime she runs the Carter's Peanut Company. Her assistant peanut pickers are Betty Jay, Thomas Noland, Luther Leavell, and Martha Grice.

Joe Phelps is a nationally-known veterinarian.

Vallie Jo Allen, the famous TV actress, is serving as President of the Humane Society in her old home town. Speaking of TV, Don Terry owns the most important TV station in Montgomery. Jane Syfrett is manager, and local stars are Elizabeth Spicer, Jeanette Ward, Paul Price, Eloise Worrell, Dorothy York, Pat Pitts, and Donald Bass.

Everyone has been reading the Podunk Newspaper, edited by Jimmy Seay, which tells of the famous expedition Frank Tatom is making to the moon in his rocket. His fellow travelers are Sandy Owings, Jere Harbin, Smitty Dicky, Tommy Hopkins, Billy Marks, Walter Moore, and Robert Spence.

Many of our old friends have entered the field of journalism. Tommy Dismukes and Clifton Allen are co-editors of the sport section of the New York Times. Their latest articles have covered the tennis tournament recently played by world champions Bill Brewbaker and Phil Jolly. Among the thousands of spectators at the tournament were Betty Williams, Jean Palmer, and Marjorie Petty.

Jimmy Cotton has won the nation wide golf tournament at Pasadena, California.

Last Will And Testament

STATE OF ALABAMA
MONTGOMERY COUNTY

We, the class of 1952 of Sidney Lanier High School, having come to our last hours in our right minds, and at peace with the world, do hereby give, bequeath, and devise all our worldly goods and possessions to the following beneficiaries, to wit:

ITEM I

We do first direct that our departure be accompanied by copious tears from the faculty and student body, only enjoining them to be tears of sorrow and not of gladness.

ITEM II

To our eldest and most sophisticated children, the juniors, we leave as many Senior Privileges as they have the nerve to enjoy.

Our unworthy infants, the sophmores, we cut off without a penny until they become of age

ITEM III

We leave to our beloved faculty all the patience, long-suffering, and self-sacrifice ever possessed by us, on the principle that "To him that hath, it shall be given."

To the following individual teachers, we bequeath:

To Mr. Douglas, our appreciation for the patience he has had with us through all of our years at Lanier.

To all our English teachers, our most efficient reading-glasses, whereby they will be enabled to discover not only errors in English, but also all misplaced commas, periods, semicolons, exclamation points and apostrophes.

To Miss Gorrie, our best-trained blood-hound to help her in her endless search for the "lowest common multiple."

To Miss Hall, all the dog-eared and dilapidated books, with the privilege of mending, gluing, pasting, sewing, and generally repairing them, without question from anyone.

To Mrs. McCorkle, our thanks for teaching us to appreciate good music, and for helping us to know the real joy and pleasure that comes when you "open your mouth and sing."

ITEM IV

The Senior Class, as individuals, do hereby bequeath and donate the following to the lower classmen:

Carolyn Pannell leaves her gift of gab to anye who has the energy to keep up with it.

Sally Hood leaves her I. Q. to Elizabeth Hoppin.

"Toot" Ramage leaves the right to interview the football team to any girl who has the nerve to be on the sport staff.

Carole Pugh leaves her sweet smile to Patty Ann Dennis.

Rachael Fuller leaves her athletic ability to Kathryn Prather.

Bobby Brannon leaves his winning ways to Gene Guyton.

Bobby Black leaves his privilege of being late every morning to anyone who can get by with it.

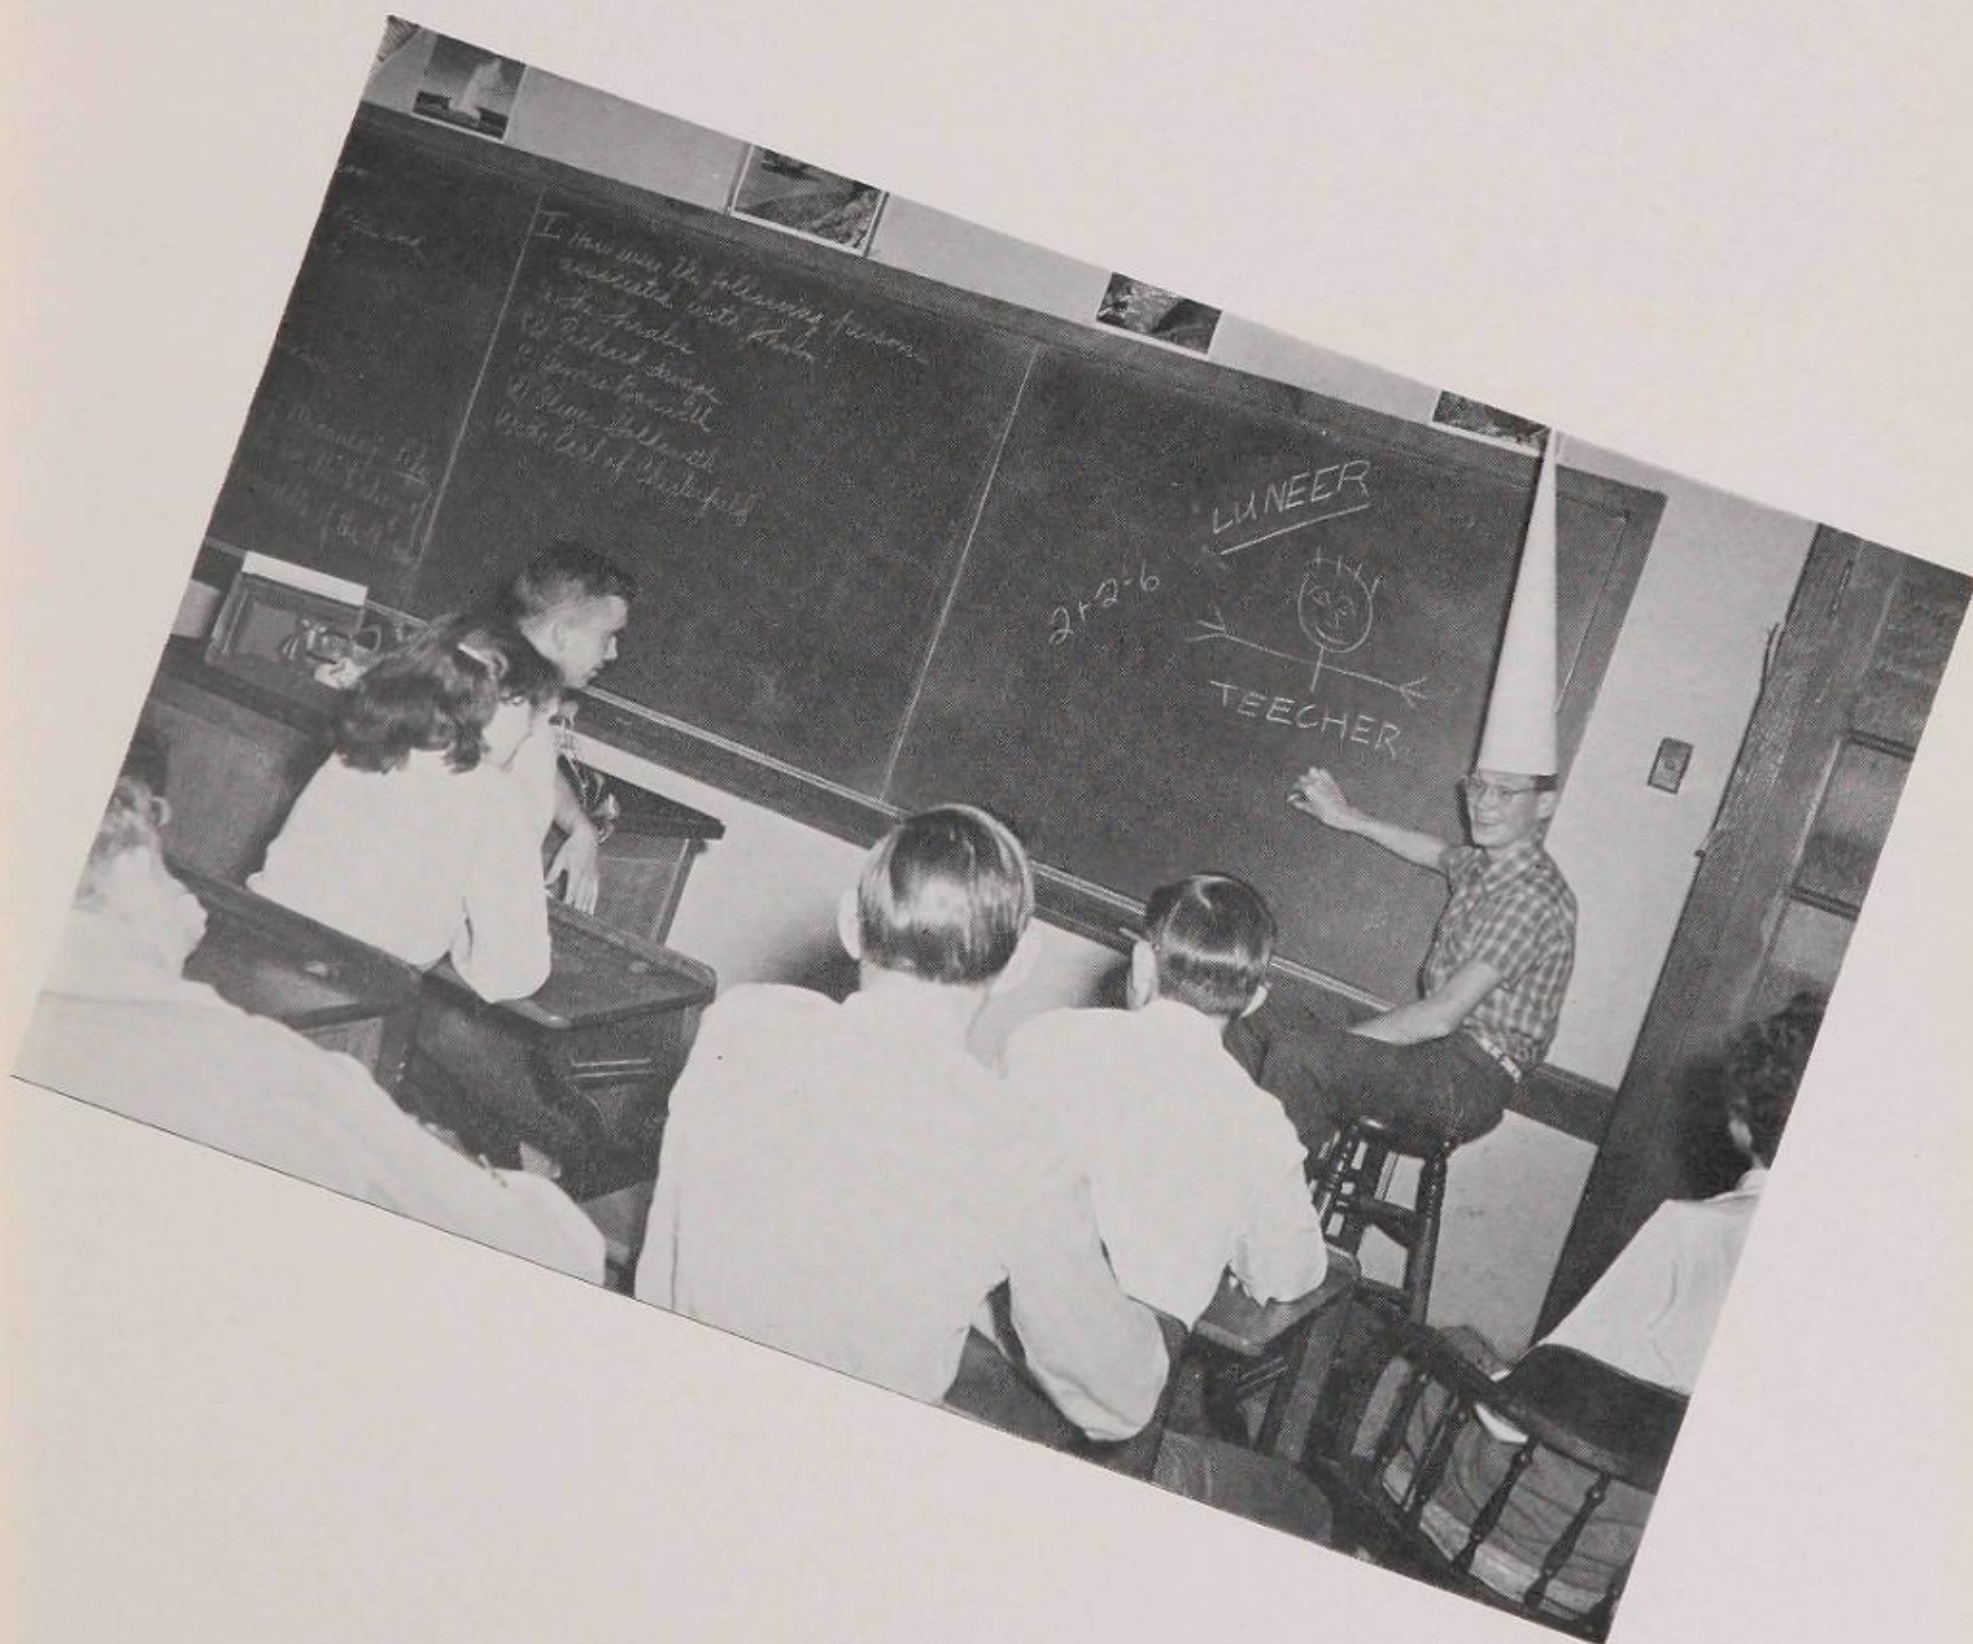

Dora Metcalf leaves her lovely blonde tresses to Janice Stubbs.

Norma Hedrick leaves the distinction of being the best all-round student to Mary Lucy Carmichael.

Class Poem

Our Junior year is in the past,
Naught left but memory.
The joys we've known, the trials we've borne
Are part of history.

We pause before we take the step
Into our Senior year.
And look we back upon our life
At this great school, Lanier.

And we stand here, looking back with pride,
And peering forth with hope.
Our next will be our final step
And after that, unknown.

When first we came to dear Lanier
We were but Sophomores small.
We didn't count among the ranks,
We were hardly noticed at all.

But now we've grown in pride and poise,
And of our work we're proud.
We still are not quite Seniors,
But a respected part of the crowd.

—Homer Lockridge.

Class Poem

The day that school started
Here at Lanier,
The noise and confusion
Was to us most dear.

We waited a long time
For this day it seemed.
But it was even more exciting
Than we could ever have dreamed.

We sweated and fumed
'Cause the room numbers weren't right,
And just knew if we found them
It would be some time that night.

We were all convinced
By the end of the day,
That we'd never make it
Until the coming of May.

But as time went on
We got used to it all,
And we stopped finding ourselves
Wandering down the wrong hall.

Now we feel we're part of things
So we can stand up and cheer,
Just like the upper classmen
For our own dear Lanier.

—Janelle Miller.

EDITOR SPEAKS

On Thursday, October 11, a group of Lanier students went to the office of R. F. Hudson, Jr. for the purpose of discussing the letter which appeared in Mr. Sam Adams' column of the

This letter, from a former student of the University of Alabama, criticized the behavior of the band performed by the band at the Lanier Homecoming. The interview by Allen Gunn was to criticize anything that might be published. He explained that Mr. Adams had not done a thorough investigation before printing the letter. However, we know that he had neglected to contact Mr. Douglas or any school official.

There were in Tuscaloosa about 500 students either in or out of cars. Of these probably a small percentage were nevertheless the entire body was offended. The letter, seemingly at Lanier or so, was at the bottom of the controversy. Mr. F. Hudson, Jr. of Montgomery, was correct when he said that the students themselves or it would exist. Thus the blame comes back to its source and whether the criticism is just or not, to improve our school and our reputation we, the students, must take the corrective action.

GUNNSHOTS

BY

Gunn

This week Gunshots is written by Lawrence Coter, President of the Murphy High School Student Council.

As president of the Murphy High School Student Council and a personal friend of Allen it gives me a great deal of pleasure to be allowed to contribute to Lanier and to write this column.

Sportsmanship. what that word means. But is it only the most of you will at practice sportsman means. Our teams, football field. By the idea of the true meaning, ples off the athletic field word means.

I want to thank your President for inviting me to Lanier this week-end and showing me such a good time in Montgomery. If any of you are ever in Mobile please drop by Murphy.

If Murphy spoils the Lanier Homecoming at the game to night don't be surprised. That could easily happen.

CHELE WARD — Junior — Halfback

Chele played fine ball this year for the Blue and White and was always there when needed. He will be counted on greatly next year.

JOE RODGERS — Senior — Guard

JOHNNY BAILEY — Senior — Halfback

Despite his size Johnny handled his post very capably this year. He will be greatly missed next year.

RICHARD FULMER — Junior — Fullback

Fulmer was easily one of the outstanding players on the team this year. He will be heavily counted on next year.

BARRIE THRASHER — Junior — Tackle

Although this was Barrie's first year in football at Lanier, he made the starting team and filled his position very ably.

BART STARR — Senior — Quarterback

Outstanding in every game, Bart became one of the most sought-after players in southern prep schools. He took All-City, All-State, All-Southern and All-American honors.

JIM WILSON — Junior — Center

Jim, who was a very aggressive line backer, started most of the games this year despite injuries. He will again play for the Blue Torrent in '52.

C. B. TILL — Senior — Center

C. B., who was noted for his defensive play will surely be missed in '52. He was selected on the All-City squad.

BILLY PAPPANASTAS — Sophomore — Center

Because this was Billy's first year at Lanier, he didn't see much action but he gained needed experience. He will be seen in action again next fall.

L. T. FAIN — Sophomore — Halfback

Being a sophomore, Fain did not see much action this year. His ability will be of great value next season.

FRANCIS MONCRIEF — Sophomore — End

Francis played good ball for the Poets this year. He will be back next year to form the nucleus of the Poet Eleven.

CHARLES BERRY — Junior — Halfback

Charles was counted on this year to fill Barnes' shoes and he did so very well. He will be invaluable next year.

JIM HAMN — Junior — End

Jim showed up well at his end post this year and his service to the Poet Eleven next year will be of great value.

BOBBY BARNES — Senior — Halfback

Bobby played excellent ball for the Poets this year. His outstanding playing won him a scholarship.

In 1951 the Lanier Track Team had an exceptionally good season. Led by Captain Paul Turner and Coach Matt Lair, the team won the Montgomery Invitational, placed second in the Alabama State Meet, and its sprint medley team captured top honors in the Southern Relay, setting a new Southern record, and in the Alabama Relays.

The Team entered the Southeastern Meet, the Georgia-Alabama Meet, and the Southern Regional in which they did exceptionally well. We are sure the '52 Track Team under Coach Lair will again bring many honors to Lanier.

THE 1951 TEAM

FIRST ROW: Ed Welch, Jimmy Cantrell, Steve Russell, Marvin Bowers, Robin Embry, Sammy Campbell . . . **SECOND ROW:** Coach Moseley, Bill Berry, James Roy, "Happy" Gay, Billy Cawthorne, Ronnie Welch, Robert Barnes, William Heath, Paul Robinson, Walter Cooper, Bobby Barnes.

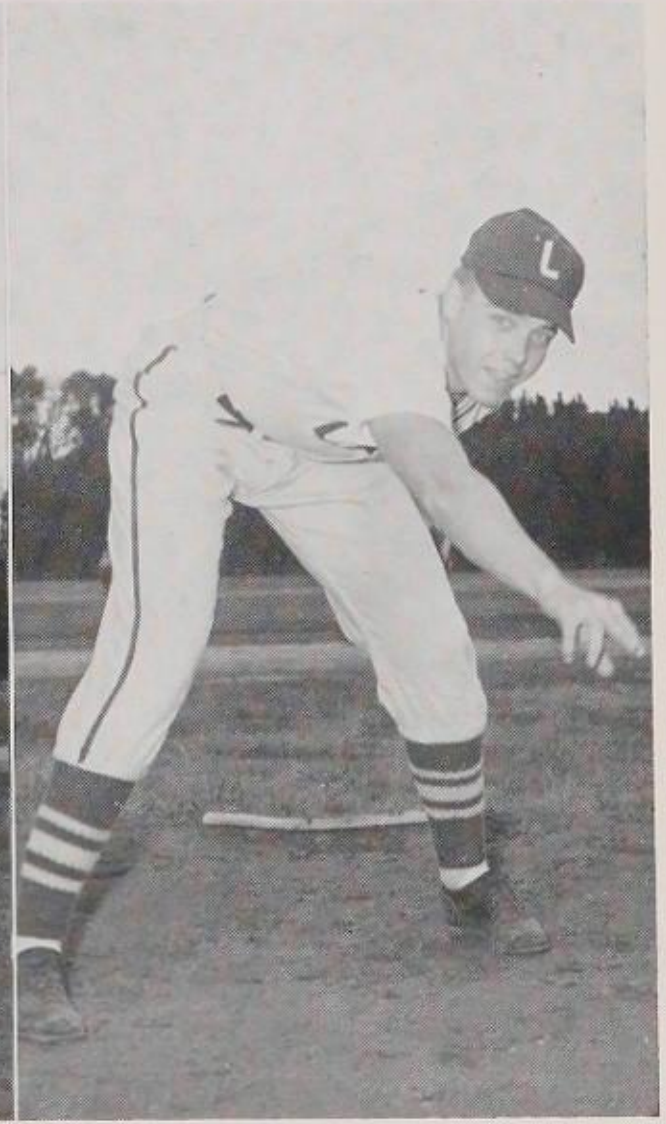

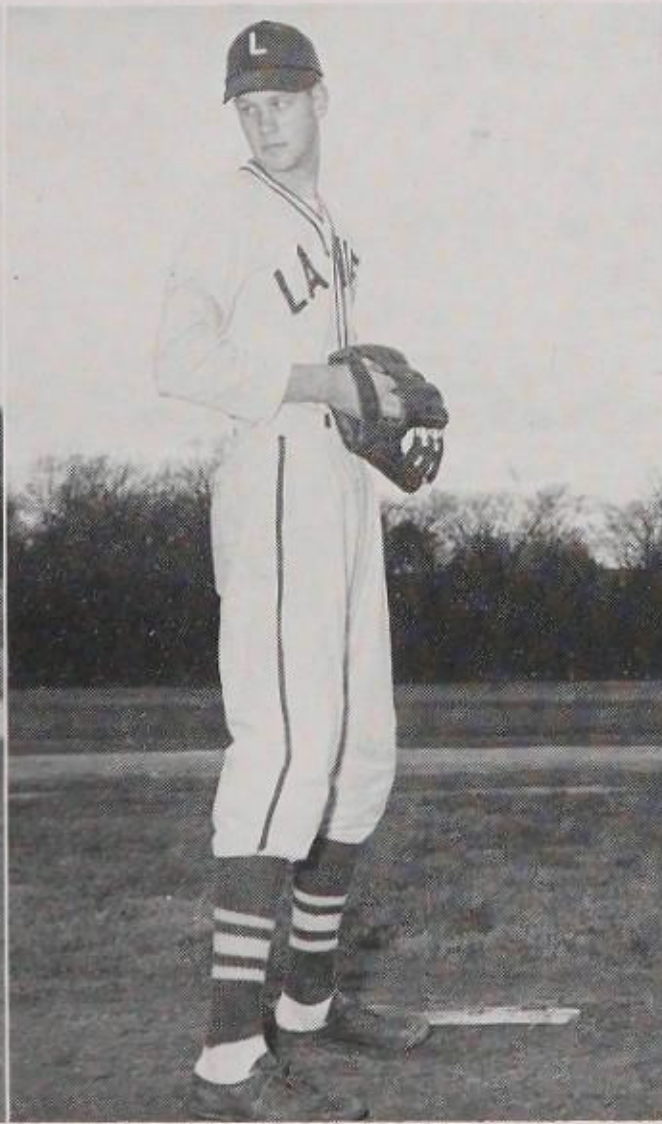

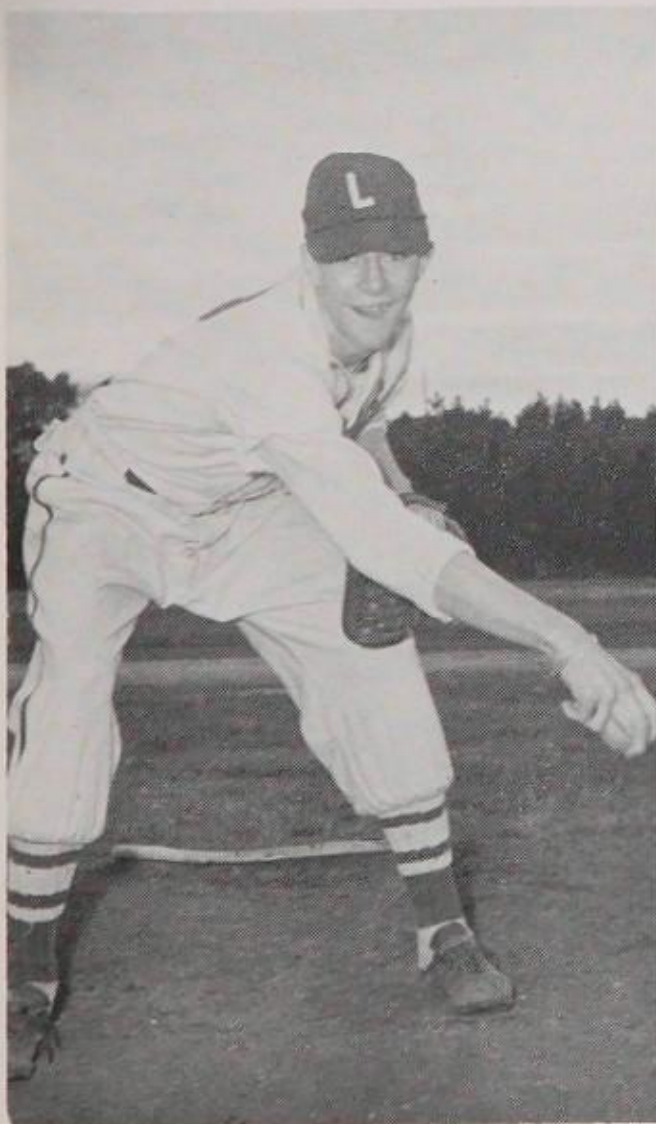

Lanier's 1951 baseball team was probably the finest in the history of the school. The squad was well-manned at every position, and had very capable replacements also. The outfield was especially strong as all three men hit over .300, and two were power-hitters. The infield was an impenetrable defense, and the catching department was strong. The pitching was potentially powerful, but at times it became spotty. As the defending champions and hosts of the Southeastern States Baseball Tournament, the Poets were edged out in the finals by Richmond Academy of Augusta, Georgia, after winning the State crown for the second year in a row. The Poets ended the season with a 16-4 won-lost record.

This year Coach Posey took over as head baseball coach with a hard task before him. The outfield and the pitching were fairly strong but a whole new infield and a couple of catchers had to be found. However, some reserves up from last year's team and a few new boys filled the gaps nicely, and Lanier will probably come through with another successful season.

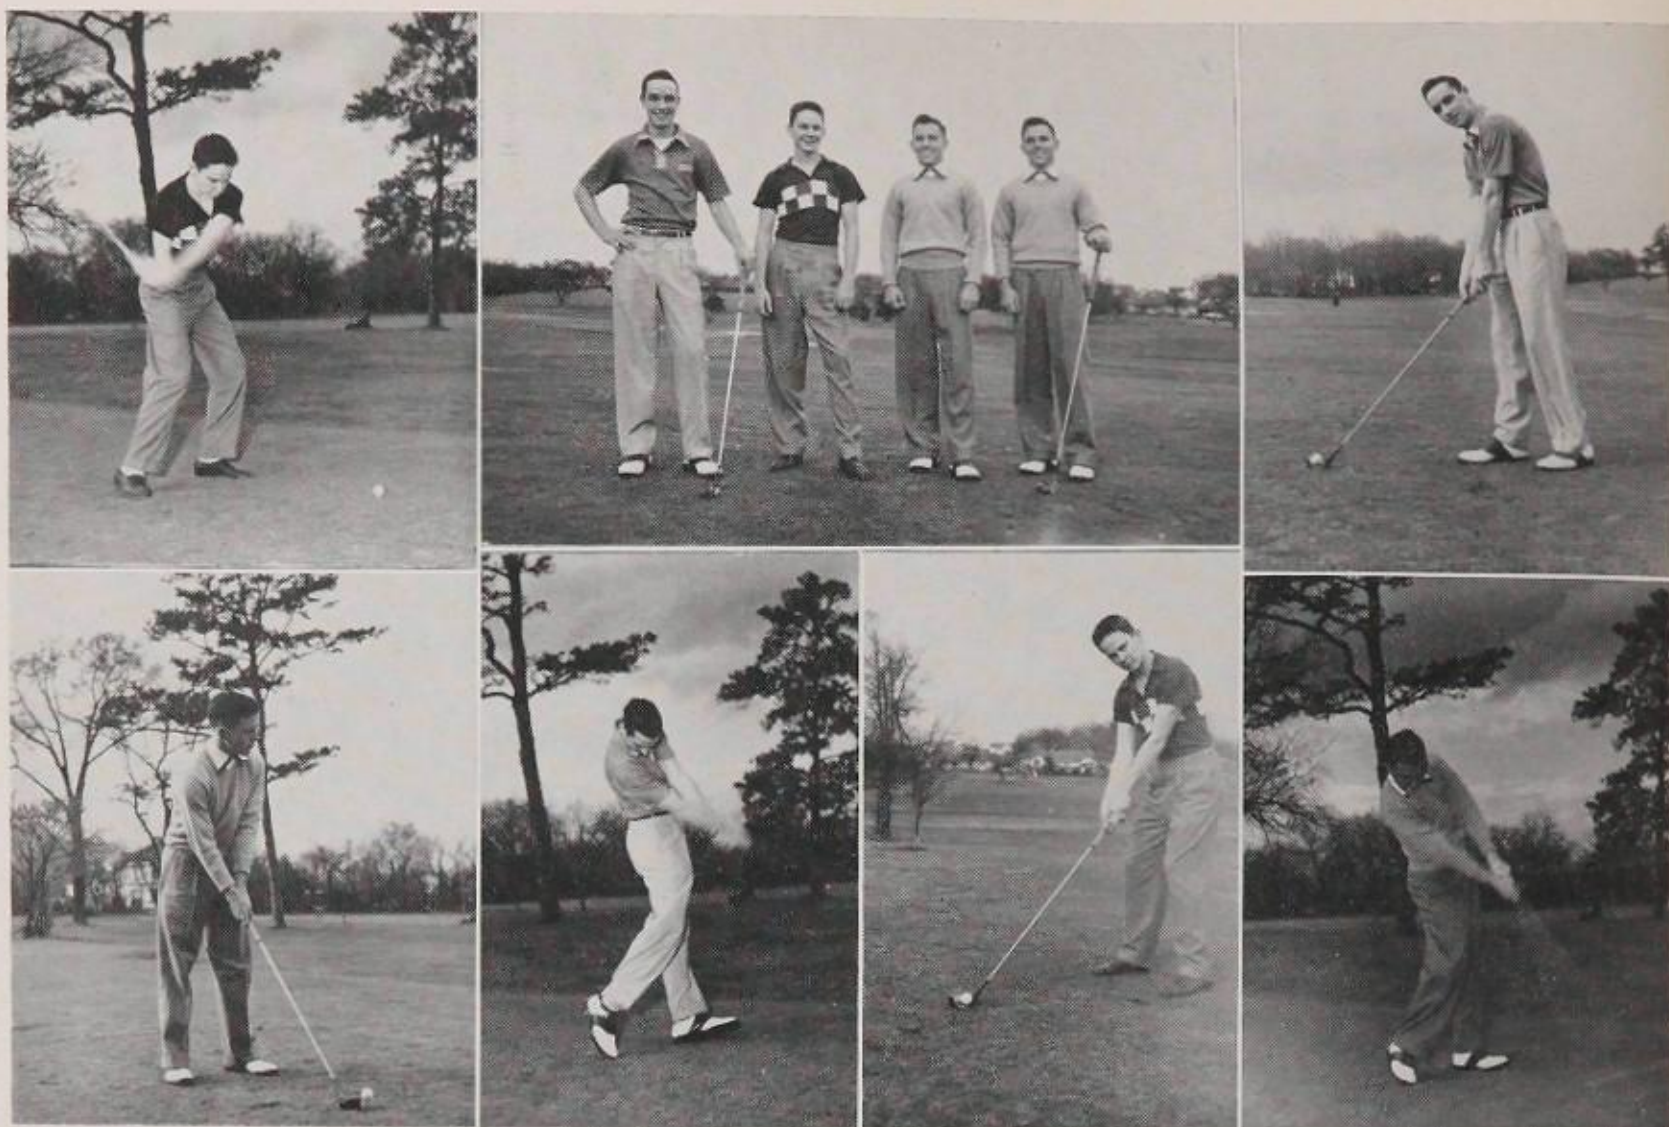

ROBERT BARNES—Robert, one-third of the best outfield in the State in '51, has tremendous hitting power and a fine throwing arm. He may have a great athletic career in front of him . . . **RONNIE WELCH**—Ronnie was a top utility infielder during the '51 season, this year taking over a first-string berth. Being a good clutch hitter and a fine base runner, he too, will be missed next year . . . **BOBBY BARNES**—Bobby had a combined batting average of almost .400 for his first two years at Lanier. One of Lanier's most versatile athletes, he also is a fine ball hawk and base runner. He will be hard to replace.

BILLY CAWTHORNE—During the '50-'51 seasons, Billy was one of the most feared pitchers in the State. As a member of the '51 team, he gained the admiration and praise of players all over Alabama. It will be hard to find anyone capable of taking his place . . . **CHARLES MacPHERSON**—"Hootie," a long left-hander, has been very dependable for the past two seasons. During the '51 season, he was used mostly in relief, but he came through very well in the tourneys. He will be welcomed again next year . . . **PAUL ROBINSON**—Paul was a very good relief hurler on the State Championship Team of '51. This year he came into his own as a fine starter. He has a good curve and change of pace, and also a smooth pitching motion.

Golf Team

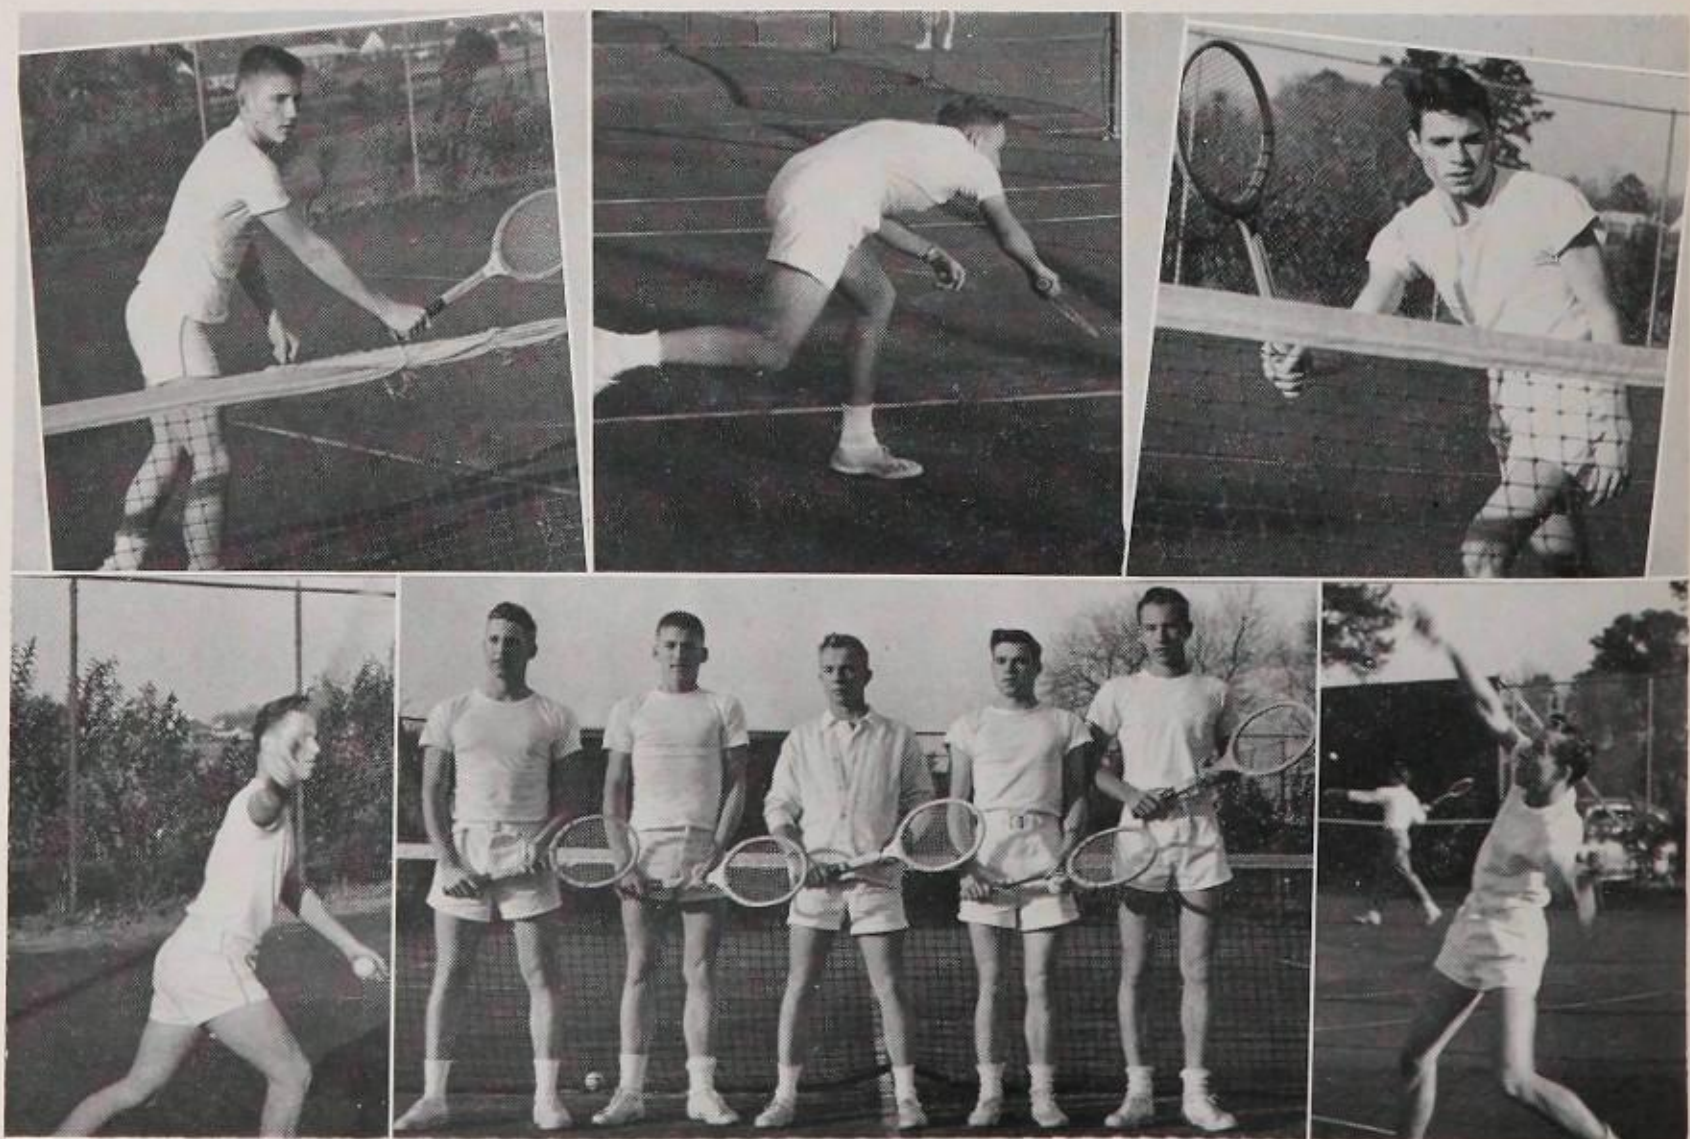

TEAM: Billy Williamson, Jimmy Cotten, Pat Williams, Bill Williams.

Although the 1951 Golf Team had an outstanding record of seven wins out of ten matches, an even better record is expected of the '52 team. Last year Greenville, Anniston, Selma, Tuscaloosa, and Marion were played once on the home course and once on the out-of-town course. When the '52 ORACLE went to press, the '52 schedule had not been made.

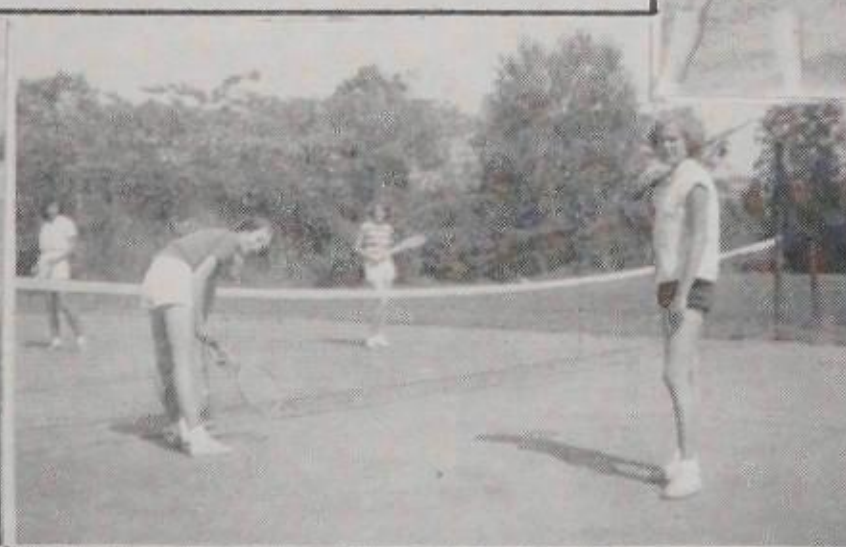

The '52 Tennis Team, led by Phil Jolly, Montgomery Country Club Singles Champion, will play a tentative schedule on a home and home with Selma, Ramsey, Shades Valley, Anniston, Huntsville and Sylacauga. This year's team will be one of the strongest in recent years because it is particularly well-balanced. Don't be surprised if they take the State Tournament!

TEAM: Jack Evans, Bill Bowman, Bill Brewbaker, Reese Harvey, Phil Jolly.

In the Mt. Palomar observatory there was much excitement when Ben King split an atom. Norma Jean Robbins, newswriter, and William Andrew Williams, photographer, were present to see that the world would be well informed. This accomplishment should be an asset to scientists, Jimmy Vinson and Wendell Martin, in their research work.

Nell Matthews and Barbara Wood are making a ten year study of the telephone book. In three more years they will announce their discoveries to the world.

Dorothy Ann Young, Ziana Owens, and Willodean Ruff are revising Webster's Dictionary.

Bobbie Smith, Betty Mullins, Susie Watson, and Joan Mooneyham were featured in the latest fashion magazine wearing the latest ensembles for moon voyages.

David Dean and his all-girl construction company have just signed a contract to build ten stories onto the Empire State Building. His staff includes Emma Paige, Edna Arnette, Sue Reid, Frances Schweikhardt, and Mary J. Mosely.

We realize that we have been unable to tell you in detail what has happened to all our old classmates, but we are certain that they have all been successful. If you ever happen to pass our way, be sure to stop in to see us, because an old friend is always a welcome sight.

LAST WILL (Continued)

(Continued from Page 51)

Shirley Kirk leaves her cute figure to Frances Hall.

Jane Rosa leaves her sweet singing voice to Barbara Gurley.

Jo Ann DuBose leaves her endless wardrobe to Elizabeth Lane.

John Watkins leaves to Jimmy Goodson, his well-known ability to talk back in self-defense, and to make any act he commits seem perfectly justifiable and proper, in fact, the only thing to do.

John Armstrong leaves his height to Flea Thames .

Sonny Linsey leaves his leather jacket to Gene Porter.

Hal Weatherby leaves his zipper notebook which will hold anything to Bobby Jack Russell.

Robert Flaherty leaves his driving ability to Orin Goocher.

Jimmy Jacobs leaves his technique of cutting classes to James Gulley.

Ann Bonner leaves, to the world at large, her remarkable stock of common sense, because it is the one qualification most sorely needed by every son and daughter of Adam.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seal this 27th day of May, 1952.
